

# EPOXY RESIN CASTING DEMONSTRATION

Sunday, June 5, 2:30 – 5 PM

**Pema Osel Ling**  
"Magical Display of the Arts"  
Round House

**Vajrayana Foundation**  
2013 Eureka Canyon Road  
Watsonville, CA

*To reserve your place  
leave a message at  
831-761-6265.  
Walk-ins welcome.*

*There is no charge for the demonstration  
but donations appreciated.*

Epoxy resin is nontoxic and lightweight---great for relief or figure casting.

**Join us as sculptor Jim Westbrook demonstrates casting of a small bust in epoxy resin with a bronze powder face coat.** This is a rare opportunity to be taught by someone who uses the process in his own work. Jim has worked with us on many of our projects, including the large-scale casting of relief ornamentation in concrete for our stupa, a religious monument at Pema Osel Ling.

**Jim Westbrook with "The Conductor", one of his commissioned portraits**
